

Dear Parents and Friends of the Monmouth Beach School PTO,

As you well know, the PTO is responsible for raising funds to support the **students** and **staff** at the Monmouth Beach School. We do so with pride and great honor, but we are tired. We are probably as tired as you are and we just don't feel like bothering you to sell a candle, wash a car or solicit your friends and business associates for a donation. So, in lieu of a multitude of fundraisers, we have decided to organize a **Fund Drive**. You can simply write us a check to the Monmouth Beach PTO, Venmo @MonmouthBeach-PTO or drop off some cold hard cash to the school. Please check a look at the following options to donate. We have also included our PTO annual budget for your perusal to make you feel a little more guilty. Get ready for a great year and open those wallets, people!!!

\$25	I do not want to attempt any Tik Tok or Netflix baking series challenges for a bake sale. Here is the amount of money I would have spent. Never mind the eye rolling that my child/children would do while I am attempting new coolest and newest creation.
\$50	I do not want to sell any candy, cookie dough, wrapping paper, popcorn, wreaths etc. I do not want to drop off the said ordered item to my friends, family or weird neighbor. Please accept my donation in lieu of the of the ordered item spending an overdue amount of time in my car before I deliver it.
\$100	I do not want to attend any fancy galas or outings. I do not want to bid on baskets or make small talk with strangers. Here is the amount of money I would have spent of a new outfit and an Uber.
\$250	I want to support the PTO in a BIG way! Please accept my donation and be sure to forget my name for the remainder of the school year....or FOREVER!
\$ _____	Please accept this donation because I am grateful to not have to be responsible for being in charge of all of these annoying fundraisers and have people avoid me on the playground or social functions because they know I am going to ask them to volunteer or donate money and take time away from my family and my job that actually pays me even though I spend most of my time working on PTO stuff while my boss thinks that I am actually doing research.

Thank you for your consideration!!

Sincerely,
Dana Noon
