**PUBLIC DISCUSSION**

In compliance with Open Public Meetings Act PL 1975, Chapter 10:4-12 subsection b, - A public body may exclude the public only from that portion of a meeting at which the public body discusses any matter involving the employment, appointment, termination of employment, terms and conditions of employment evaluation of the performance of promotion or discipline of any specific prospective public officer or employees or current public offer or employee employed or appointed by the public body, unless all the individual employees or appointees whose rights could be adversely affected request in writing that such matter or matters be discussed at a public meeting. As per Board Bylaws, 0167, public participation in Board Meetings, such remarks are to be limited to five minutes duration. The Board of Education, though affording the opportunity for members of the public to comment will not engage and/or make remarks concerning matters of student confidentiality and/or matters of personnel wherein employees of the District have not been given notice of the Board’s intent to discuss their terms and conditions of employment. Members of the public are reminded that though they are afforded the opportunity to address the Board, they are not given license to violate the laws of slander. Comments made by members of the public that are not in keeping with the orderly conduct of a public meeting will be asked to yield the floor and if they fail to do so may be subject to charges under New Jersey statues associated with disruption of a public meeting.

## ADJOURNMENT

### Mission Statement

Our mission is to create lifelong leaders and contributors who will successfully meet the challenges of the 21st century. The goal of the school is to teach behaviors which help create and maintain a positive learning environment, to use teaching techniques which recognize that students have different learning styles and multiple intelligences, and to teach students to become independent thinkers and learners. Our students will all achieve the NJ Core Curriculum Content Standards as they strive to maintain a "tradition of excellence." Quality education for all students is a constant objective.
