ALSO PRESENT: Mr. Ettore, Superintendent

PRESENTATION

1. Mr. DeSantis gave a presentation to the full Board on HIB (School Self-Assessment for Determining Grades) under the Anti-bullying Bill of Rights, and reviewed our final grade as determined by the school assessment. He also stated that any parent coming into the school, for instance to read to the students, would have to be trained and certified as to our procedures. The Board was concerned as to how this information would be disseminated so parents didn't show up and then be asked to leave due to non-compliance. Mr. DeSantis stated that this information would be sent out to parents and also available on the website.

Mrs. Kay suggested that we send out the information quarterly.

Mr. Ruoff stated that we should have a lap top available for any parent who comes in and hasn't had the opportunity to take the training to avoiding turning them away.

2. Mr. Ettore gave a presentation to the Board regarding the PARCC (2017 – 2018)/NJSLA (2019) test scores for the 2018-2019 school year. He explained that there are 5 different levels showing comparisons over the past 3 years in both math and language arts. The goal is to have a minimum amount of students in levels 1, 2, and 3 and have the majority of scores in levels 4 and 5. He also stated that there isn't any comparative data available at this point in the State. He attributed the high scores to the Board's curriculum and the addition of a reading support teacher as well as the overall dedication of the staff.

Motion was made by Mr. Ruoff, seconded by Mrs. Dolan and carried by voice vote that the Board approve the following item.

Our students will all achieve the NJ Core Curriculum Content Standards as they strive to maintain a "tradition of excellence." Quality education for all students is a constant objective.
