Re: Health Requirements for Pre-K

Student: _____

The following information checked is missing from the students health file for Pre-K:

- Complete Physical (does not have to be the current year)**
 - FLU***
 - Immunization record**
-

The state requires every child enrolled in pre-k on or after 9/1/08 to receive one dose of the influenza vaccine given between September 1 and December 31 of each year.

Please provide this information to the nurse's office: stamped and signed by the physician.

**Sincerely,
Susan Gillick RN CSN**
