Re: Sixth-grade students Immunization Requirements
Date: April 19, 2021

Effective September 2008, two new vaccines are required for **every student entering or attending Grade 6 and born on or after January 1, 1997.**

. The requirements are:

1. One (1) dose of **Tdap** vaccine (Tetanus, Diphtheria, Acellular Pertussis) This is in addition to the $\frac{4}{5}$ DPT/Dtap vaccines your child received before Kindergarten. One dose of Tdap given before the 10th birthday or five years has elapsed from the last DTP/Dtap or Td dose.
2. One (1) dose of **Meningococcal** Vaccine must be administered to students turning 11 years old and attending Grade six.

Please forward this documentation stamped and signed by your physician to the Health Office by September 1, 2021.

If you have any questions, please feel free to email me at gillick@mbschool.org.

Thank you for your cooperation.
