

Monmouth Beach PTO Membership and Directory

This 2021-2022 school year, the Monmouth Beach PTO is excited to continue using the mobile school directory in the Paperless PTO Directory App. This Directory App provides on-the-go access for families to students' and parents' addresses and phone numbers, teacher and staff information, and Board information. All contact information will be entered by the parent/guardian giving you control throughout the school year to update your information real time if changes are needed. Only families, teacher and staff and Board members that are current members of the MB PTO will have access to the Directory App. The Paperless PTO Directory App works with iPhone and Android smartphones. There will not be a paper copy of the school directory this year.

You must be a paid PTO Member to gain access to the Directory App and to be included in the email distribution list for the weekly email blasts that keep you up-to-date with school and community information and events. Although encouraged, by joining the PTO it does NOT require you to volunteer.

Families that wish to be included and have access to the Paperless PTO Directory App should fill out the below information and return this form with \$20 check made payable to MB PTO or VENMO Monmouth Beach-PTO noting membership in the memo line. Once the initial information is uploaded, you will receive an email with a unique activation key and instructions on how to download the app and enter your information. You will be able to download the app on up to 3 devices. *Please note that the Paperless PTO Directory App has multiple functions/icons and that at this time only the Directory icon is activated for the MB PTO.*

Please contact Elke Tilton at elketilton@gmail.com with any questions.
