

Our first collection for Box Tops is here! Let's turn our summer Box Tops into CASH! Please bring your clipped Box Tops into school this week. The class that collects the most Box Tops will earn a prize, so enlist the help of family, friends and neighbors. We will be sending out the leaderboard after our first collection, and monthly thereafter. PTO members are encouraged to sign up with Box Tops online to earn bonus Box Tops, get coupons for Box Tops products and follow our school's progress throughout the year. You can access Box Tops online by clicking on the following link: <http://www.boxtops4education.com/>

Bonus Box Tops can also be earned through the website. This week's sweepstakes is a chance to win "Food Should Taste Good" snacks and 100 Bonus Box Tops. Check back often for additional sweepstakes and ways to earn even more money for our school.

Teachers – You will be receiving a visitor this Friday. Please relinquish your collected Box Tops and stay tuned for an update on your class' standings. Thanks for your support!
